

THE SUBSCRIPTION ROOMS NEED YOU!!

Thanks to the thousands of people who called for the Sub Rooms to be kept in public ownership, Stroud District Council have now issued an invitation to submit offers for a lease.

The Town Council would like to take on this lease and work in partnership with the District Council and the community to transform the Sub Rooms into a dynamic place for arts, culture and leisure that will attract both high quality and popular events.

A new future for the Subs

The results of the Town Council community survey showed that people want to see the Sub Rooms refurbished to update the toilets, café and bar.

The remodelling of the venue will help to create a vibrant, viable arts, cultural and civic venue at the heart of our town.

Working with the community we want to offer a new future for the Subs, to be created in partnership with our fabulous residents, communities, festivals and creative businesses. The 'new' Sub Rooms would promote the town, businesses and the wider district as well as strengthen the local economy. To realise this vision, we now need **£100,000 in pledges** to demonstrate public support for this community-run initiative as we develop our offer.

Make a Pledge – at this stage we are simply asking you to make a pledge – if our offer to Stroud District Council is successful we will launch a detailed plan for the future of the Subs at which time we'll be looking for vital early donations as we get up and running. With a long-term plan for investment in the Sub Rooms we'll be looking to raise further cash through a share offer. You will have the opportunity to invest as member, a shareholder or to make a donation.

Please help us to help the Sub Rooms by completing the form on the back of this leaflet or online at: www.surveymonkey.co.uk/r/SubsPledge

Subscription Rooms Pledge

Please indicate the amount you would consider pledging or donating and we will contact you if our bid to lease the Subscription Rooms is successful.

Completing this form does not commit you to any investment, but is crucial in helping assess the level of support for this project. **Do not send any money at this point.**

Data protection

Stroud Town Council will hold your personal information securely. Please tick here to confirm that your personal information can be used to provide further information about the Sub Rooms bid and pledges.
